WALL CHARGERS

TURBOPOWER 125W

WALL CHARGER

Ultra-fast charging

USB-C charging ports

Advanced GaN technology

Overload and overheat protection

Features

The Motorola TurboPower 125W GaN charger epitomizes fast charging technology. With 125W dual output and innovative GaN technology, it provides ultra-fast, efficient charging for various USB-C devices. Its compact, portable design is ideal for on-the-go use, ensuring convenient charging anywhere.

Equipped with advanced safety features like overload and overheating protection, the Motorola TurboPower 125W charger ensures safe, reliable charging at all times. Experience unmatched power and speed with the Motorola TurboPower dual 125W charger, setting new standards in fast charging technology.

Single Output USB-C

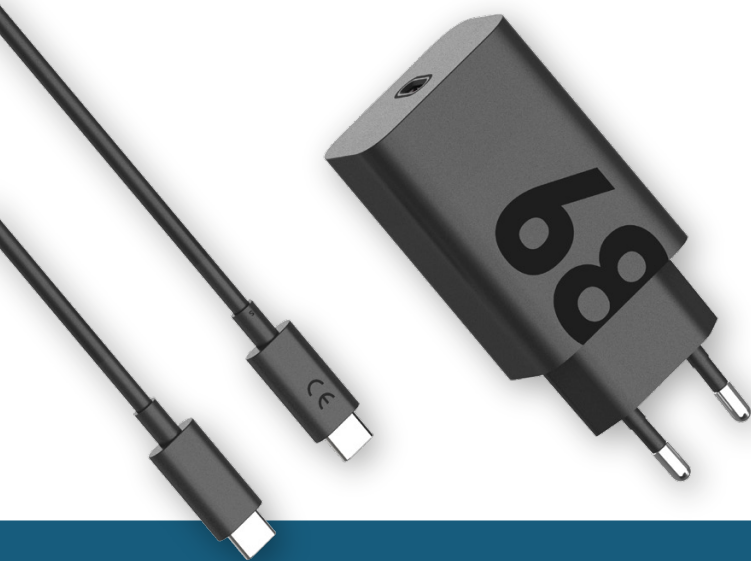

- 5V/3A 15W
- 9V/3A 27W
- 15V/3A 45W
- 20V/6,25A 125W
- 5C-20V/6.25 125W

Dual Output USB-C

- 120W Max

TURBOPOWER 68W

WALL CHARGER

Ultra-fast charging

USB-C charging port

Advanced GaN technology

Overload and overheat protection

Features

Experience versatile and efficient charging with the Motorola fast charger, compatible with a wide range of devices including Android and iOS. Featuring advanced GaN fast charging technology, it speeds up device charging by up to 10 times, delivering an optimized charging experience. Each charger includes a USB-C to USB-C cable for seamless charging and data transfer, providing a complete solution.

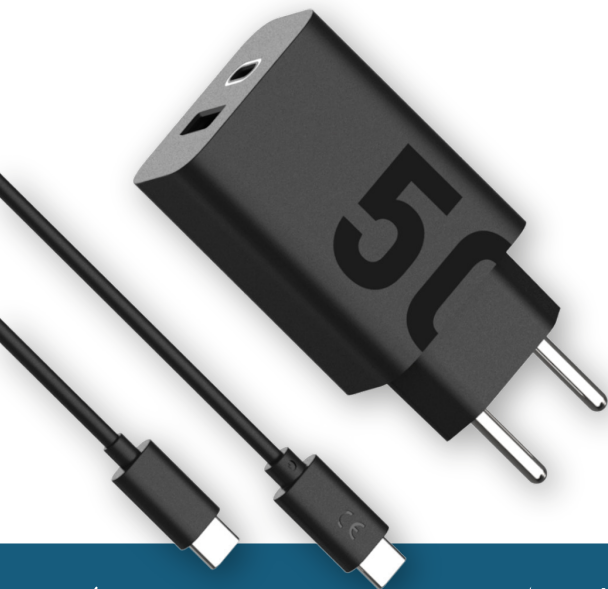

Designed for portability, its compact size makes it perfect for on-the-go use, ensuring convenient charging anywhere. With built-in safeguards against overload and overheating, rest assured your devices are always charged safely and reliably.

OUTPUT USB-C

- 5V/3A 15W
- 9V/3A 27W
- 15V/3A 45W
- 20/3,4A 68W
- 11/6,2A 68,2W

TURBOPOWER 50W

WALL CHARGER

Fast and powerful charging

**USB-A to USB-C
charging cable**

**USB Power Delivery 2.0 &
Quick Charge 3.0 technology**

Advanced safety

Features

The Motorola TurboPower 50W charger offers ultimate convenience for fast and efficient charging of USB-C compatible devices. Utilizing advanced USB-PD and QC 3.0 technologies, it dynamically adjusts to optimize charging times and efficiency. Its compact, ergonomic design ensures easy portability whether at home, in the office, or on the go.

Included is a 1-meter USB-A to USB-C cable for out-of-the-box functionality. Safety features like protection against overload and overheating provide peace of mind, ensuring reliable charging for your devices. Experience seamless charging with the Motorola TurboPower 50W charger.

Single Output USB-C

- 5V/3A 15W
- 9V/3A 27W
- 15V/3A 45W
- 20V/2,5A 50W

Dual Output USB-C

- 5V/3A 15W
- 9V/3A 27W
- 15V/2,5A 37,5W
- 20V/2A 40W

Single Output USB-A

- 5V/3A 15W
- 9V/2A 18W
- 12V/1,67A 20W

Dual Output USB-A

- 5V/2A 10W

TURBOPOWER 33W

WALL CHARGER

Fast & versatile charging

USB-A charging port

Qualcomm Quick Charge 3.0

Advanced safety

Features

The Motorola TurboPower 33W charger is designed for fast, safe, and versatile charging. With support for Qualcomm Quick Charge 3.0 and multiple output levels, it delivers up to 33W of power, making it compatible with a wide range of USB-C devices. It includes a 1-meter USB-A to USB-C cable for convenient use and features a compact design perfect for home, office, or travel. Certified for safety, it protects against overheating, overvoltage, and short circuits to ensure reliable performance.

In summary, the Motorola TurboPower 33W charger offers faster charging than its predecessor while maintaining the same trusted safety and portability. Its eco-conscious design and included USB-C cable make it a smart and sustainable choice for everyday charging needs.

OUTPUT USB-C

- 5V/3A (15W)
- 10V/3A (30W)
- 11V/3A (33W)
- 12V/2.5A (30W)

WIRELESS CHARGERS

TURBOPOWER 15W

WIRELESS CHARGING PAD

Features

The Motorola TurboPower Wireless Charging Pad is the ideal solution for fast and convenient wireless charging. With a charging capacity of up to 15W, it allows you to efficiently charge your devices without cables, providing a hassle-free experience. Its sleek and compact design fits perfectly in any environment, offering a discreet and stylish charging solution.

One of its standout features is its positional versatility, allowing you to place your phone at multiple angles. Besides quick and secure charging, the TurboPower Wireless Charging Pad can also function as a stand, making it practical for desk or other surface use. With built-in safety features like overload and overheating protection, this charger ensures safe and reliable charging for your devices at all times.

CAR CHARGERS

TURBOPOWER 45W

CAR CHARGER

Fast and powerful charging

**USB-C & USB-A
charging ports**

**USB Power Delivery 2.0 &
Quick Charge 3.0 technology**

**Overload and overheat
protection**

Features

The Motorola fast car charger, with a 45W output, keeps your mobile devices charged and ready while on the go. Its versatility is notable with USB-C and USB-A ports, allowing you to charge a wide range of devices. Advanced technologies like USB Power Delivery 2.0 and Quick Charge 3.0 ensure a fast and efficient charge, adapting to each device's needs, minimizing wait times, and maximizing productivity during travel.

Its compact, portable design makes it an ideal travel companion. The included 1-meter USB-C to USB-C cable ensures you can start charging immediately. With built-in overload and overheating protection, this charger guarantees safe and reliable charging. Enjoy an unparalleled charging experience with the Motorola rapid car charger.

Output USB-C

- 5V/3A 15W
- 9V/3A 27W
- 12V/2,25A 27W

Output USB-A

- 5V/3A 15W
- 9V/2A 18W
- 12V/1,5A 18W

Turn your phone's power into your car's display. Android Auto™ is a simpler, safer way to use your phone while driving. The MA1 provides wireless connectivity to your car's existing Android Auto-capable infotainment system, making it even easier to access your favorite maps, media, and messaging apps on your car's screen.

With this integration, enjoy a safer, more convenient driving experience, keeping control of your phone while focusing on the road ahead. Simplify your journey with the convenience and advanced technology of Android Auto and the MA1 adapter.
